

SigLite™ LCD 1x5

Model T-L460

Electronic Signature Pad with Interactive LCD display

SigLite LCD 1x5 is a complete and versatile pen-input system for the capture of signatures used in countertop, desktop, or portable applications. The LCD can also be used to display text and graphics from the host computer and pen-tap hot spots allows users to navigate between multiple screens and forms, inputting information or checking preferred options. Bundled software includes development tools for ActiveX, Java, C++, .NET, and Unix/Linux plus plug-ins for MS Word and Excel and Adobe Acrobat.
